### Description

**Unija** is an international accounting company, distinguished by high quality services and advanced solutions. We offer accounting, payroll and consulting to companies of all sizes and shapes in 14 markets of Central and Eastern Europe, where the highest level of quality is provided by a team of highly professional and experienced experts.

### **Unija - Sveobuhvatno rješenje u međunarodnom prostoru**

Prije skoro dvije decenije smo pokrenuli udruživanje samostalnih računovodstvenih servisa u Sloveniji, ali i u ostalim državama bivše Jugoslavije. Tako smo 2004. godini, sa udruživanjem 3 računovodstvena servisa napravili prvi korak ka rješavanju problema nedostatka stručnih znanja i pod jednim krovom Unije udružili postojeće stručno znanje. Unija BIH danas nudi usluge vođenja računovodstva, obračuna plata i savjetovanje organizacijama svih veličina i oblika na 14 tržišta centralne i istočne Evrope, gdje za najviši nivo kvaliteta brine ekipa iskusnog i stručnog kadra.
