Bizbook

<http://www.bizbook.ba>

Bilateral Meetings

- Tuesday 13:00-16:00
- Wednesday 11:00-13:00

Description

Bizbook is the first digital service for the private sector (B2B and B2C). Companies create their profiles, publish offers, demand, products and communicate directly with all users about published content, are also able to create their own B2C shop and to write a blog about any aspect of their business. More than 600 companies from Bosnia and Herzegovina, daily use Bizbook to improve their business.
